

# Welcome to the Sustainable Airport Master Plan (SAMP)

Near-Term Projects National Environmental Policy Act (NEPA)  
Draft Environmental Assessment (EA)

## Public Meeting

The purpose of today's meeting is to provide the public an opportunity to ask questions and comment on the draft NEPA EA.

Commenting on a draft EA is an important way to participate in the environmental review stage and contribute to decision making. The Federal Aviation Administration (FAA) and the Port of Seattle are committed to an accessible, understandable public comment process. **The public comment period is open from October 21 through December 13, 2024.**

## Public Meeting Stations

There are ten stations at the public meeting, each focusing on a different topic. To get the most out of your visit, we recommend visiting the stations in sequential order.

To learn how to **submit a comment**, please see the backside of this document.

## Verbal comments

To submit a verbal public comment at this event, register at the sign-in table at **Station 8** to speak to a court reporter.

*Each commenter will be allowed three minutes. People wanting more time may register to speak again after all other registered participants have had their chance.*

## Written comments

To submit a written comment or a comment on our website at this event, please visit **Station 7**.

## Submitting a comment after this event

If you would like to submit a comment after this event, you can submit a comment via email, the website, or via mail.
